Cross Connections-Meters:

Witt Utility does not permit any connections with our water such as well with the city, etc. Not only is this very dangerous for you as well as other customers, but the Witt Utility Board of Commissioners also prohibits it. This policy grants Witt Utility authorization to inspect customers premises annually. If anyone should violate this policy, their service with Witt Utility will be corrected, or terminated. Only one meter is allowed per household. No exceptions. Duplex and apartments require one meter per unit.

Customers are responsible for a shut-off valve in their home. The meter shut-off is property of Witt utility.
